1. I asked [REDACTED] to have [REDACTED] stop in to see me on his next trip to Washington, D. C., so that we could discuss some policy aspects of the duties of the [REDACTED] particularly as they have to do with security. 25X1A6a

2. In connection with Bob Macy's letter of 6 November 1961 concerning Community support for the National Photographic Interpretation Center, I have asked [REDACTED] to prepare a memorandum for my signature setting forth the budgetary facts for Fiscal Year 1963.

3. Frank Ecker, Bureau of the Budget, telephoned to seek some guidance as to when they should schedule their Directors' Review for our Fiscal Year 1963 Budget. I told him that inasmuch as Mr. Dulles and Mr. McCone would not return until Monday, 13 November, I suggested that this Review be not earlier than a week from Saturday. He said that he thought he could arrange this.

4. I talked with [REDACTED] as well as J. C. King, about a chauffeur-butler-handyman for Mr. McCone. They have what appears to be an excellent candidate who is now a chauffeur in the WH Division. Dan is going to send some biographic information which I can pass along to Mr. McCone prior to having him interviewed.

5. Bob Macy telephoned to request that we initiate discussions with the Department of State so that the Department could satisfy itself that our Fiscal Year 1963 budget submission was consistent with U. S. foreign policy. (For details see Memorandum of Conversation dtd 9 Nov 1961.)

6. I had a very frank and somewhat detailed talk with [REDACTED] at which time I warned him that I thought he was in serious danger of being declared surplus to the "A" Service and urged him to seek employment outside the Agency. (See Memorandum for the Record

7. [REDACTED] was up to see me and among other things said that he would like to see [REDACTED] promoted to grade GS-16. I told him that I saw no immediate possibility but that I would keep this in mind in the future.
